STOCKTON, CAL. July 17 1919

Trustees of the City of Lodi,

Gentlemen:-

Enclosed you will please find a deed executed by the several different owners of Lot Fourteen (14), Block A of the sub-division of Lot Seventy-two (72) of the Lodi-Barnhart Tract.

You will notice by the plat that accompanies the deed that the lot faces a natural extension of Flora Street; we have sold these properties from time to time to several of your fruit and packing companies with the understanding that Lot 14 would be reserved as a street and would be deeded to the City of Lodi. We feel satisfied that you will accept this deed and all its provisions for a public street purposes. We have not put any stamps on this deed for the reason that we are not receiving any money for the same. We are advised that it does not need stamps.

Yours very truly,

*Eaton & Buckley*
